All Collectors,

Sub: Modification of security deposit norms for THR producing SHGs and clarification of applicability of GST on THR.

Madam/Sir,

In inviting a reference to the subject cited above, I am to say that, THR supplying SHGs have claimed that security deposit of 5% of the annual turnover as per the present THR guidelines is a huge burden on them and difficult for any SHG to block this much of money as security deposit which increase their cost of production.

After taking into consideration of the issues of security deposit of SHGs, Government have been pleased to approve that instead of 5% of the annual turnover, security deposit of Rs.1,00,000/- per annum (fixed amount) per SHG will be collected from the FY 2020-21 onwards for supply of THR at the time of contract/ renewal of the contract, which will be refunded after successful completion of agreement or readjusted at the time of renewal of the agreement.

Further, since unbranded chhatua is exempted from GST, districts are requested to make the invoice/ bill of THR as 'chhatua(THR)' in order to obtain exemption from GST. Accordingly, the issue of the GST is to be dealt with.

The above instruction shall be scrupulously followed with immediate effect.

Yours faithfully,

Director, ICDS & SW
