Guidelines on upgradation of AWCs to Saksham AWCs

Saksham Anganwadi and Poshan 2.0 is an Integrated Nutrition Support Programme seeking to address the challenges of malnutrition in children, adolescent girls, pregnant women and lactating mothers through a strategic shift in nutrition content and delivery by creation of a convergent ecosystem to develop and promote practices that nurture health, wellness and immunity.

Under Saksham AWCs, selected AWCs are proposed to be strengthened, upgraded and rejuvenated for improved nutrition delivery including Poshan Vatikas. The thrust would be on providing/adding better services with better infrastructure including internet/WIFi connectivity, LED screens, water purifier/installation of RO Machine, material for Early Childhood Care and Education including smart learning aids, audio-visual aids and children friendly learning equipment etc.

I. Criteria for selecting Saksham AWCs

1. AWC must be functioning in own buildings and have electricity
2. AWC must have drinking water and sanitation facilities
3. AWC must have provision for setting up Rain Water Harvesting Systems
4. AWC must have open space for Poshan Vatikas
5. AWC must be in a place where safety point must be kept in view for the installed infrastructure such as LED TV and RO water filter

II. Approved Budget

GoI has provided funds (60:40) under the scheme Saksham Anganwadi for strengthening facilities at of 6000 AWCs in the 1st phase in 2022-23 with the following unit cost:

1. Rs 75000/- for 4500 AWCs
2. Rs 1.00 Lakh for 1500 AWCs

Funds shall be released to the district through SNA and districts shall release funds for upgradation as per the list of AWCs approved by the Department.

III. Components and Budget for Upgradation under Saksham AWC

Sl.No	Activity	Unit cost @ Rs 75,000/ AWC	Unit cost @ Rs 100000/ AWC	Remarks
