

GOVERNMENT OF ODISHA

BUDGET

Part - II

2026-27

General

Presented by
Shri Mohan Charan Majhi
Chief Minister, Odisha

20th February, 2026

1. One of the visions of our Government under Women Empowerment is to see every girl child to complete graduation. For the purpose, **'Mukhyamantri Kanya Sumangal Yojana'** under which a savings instrument of **Rs.20, 000** will be created in the name of a girl born in an economically weaker section family. She will be provided **Rs1,00,001/-** on completion of graduation.
2. To deepen women's empowerment and well-being, I propose a new scheme named **"Subhadra Shakti Samvad"** as a structured participatory platform for SUBHADRA beneficiaries to share experiences, raise concerns and strengthen grievance redressal through regular interaction with officials and community stakeholders. In addition, another new initiative is the **Subhadra Wellness Centres**, which will be established at strategic locations to promote physical fitness, nutrition, mental well-being and economic awareness among women of all age groups, along with lifestyle guidance and counselling support.
3. By synergising with the Pradhan Mantri Matru Vandana Yojana (PMMVY), We are now extending an enhanced maternity benefit of **Rs.12,000** for families welcoming a girl child. To realize this commitment, we have earmarked Rs.320 crore for the MAMATA Scheme and **Rs.180 crore** for PMMVY in the upcoming 2026-27 Budget. These investments ensure that every pregnant and lactating woman receives the dignified financial support she needs during this vital stage of life.
4. **SUBHADRA**, our flagship women empowerment programme ensuring economic security and dignity for women, provides direct financial assistance of **Rs. 10,000 per annum** in two instalments to every eligible woman beneficiary. I propose an allocation of **Rs.10,145 crore** to benefit more than 1 crore women.
5. Our daughters are our pride, and we must do everything possible to help them reach their potential. However, the high cost of traditional weddings often weighs heavily on families with limited means. To support these families, we have launched **"MukhyaMantri Kanya Bibaha Yojana."** By facilitating mass weddings, the Government is taking on the financial responsibility - handling all costs and gifting the bride - so that families can celebrate this milestone without hardship. I propose an allocation of **Rs.12 crore** for this purpose.

6. Our vision is to transform the women of Odisha into Lakhpati Didis by creating industrial hubs specifically for SHGs and offering robust support for branding and promotion. Through the **National Rural Livelihood Mission (NRLM)**, we are facilitating provision of Government contracts and services for over 1 lakh SHGs. An amount of **Rs.1,333 crore** has been proposed in the Budget for implementation of this Scheme. Allocation for Mission Shakti Department has been enhanced to **Rs.2,804 crore** for implementation of various schemes to empower our women.
7. To support our sisters and daughters, total allocation of **Rs.18,957 crore** has been proposed for schemes and programmes dedicated to achieving gender equity and empowering the half of our population that drives our State forward.
8. Apart from all our ongoing schemes, I propose one new scheme "**Samrudha Anganwadi Yojana**" for completion of all incomplete Anganwadi Centres (AWCs) in saturation mode. Under the new scheme AWCs will be constructed at a unit cost of **Rs.15 lakh** per centre without crèche facilities and Rs.20 lakh per centre with crèche facilities. For this new scheme, I propose Rs.635 crore in FY 2026-27.
9. To strengthen the safety net for children in need of care and protection, the State proposes to establish **23 Integrated Vatsalya Sadans** across 23 districts at their respective district headquarters under the new scheme "**Integrated Vatsalya Sadan**". These well-planned, integrated complexes will accommodate the Children's Home, Child Welfare Committee (CWC), and Juvenile Justice Board (JJB) within a single compound. For the purpose, I allocate an amount of **Rs.62 crore**.
10. Our people are our true strength, and their health is our primary concern. Through **Mukhyamantri Sampoorna Pusti Yojana (MSPY)**, we are investing **Rs.552 crore** to safeguard the nutrition of our mothers, daughters, and children.

These initiatives represent our unwavering commitment to building a healthier, well-nourished future for every family.
